Student Supply List REL I-IV

1. **Single Subject Journal** (Recommend something like: Mintra Office Durable Spiral Notebooks, 1 Subject, College Ruled, 100 Sheets, as found on Amazon). They sell these in 3 packs which would be good to have extras, especially as we don't plan to use online journals this year.
2. **Worship Journal:** I recommend something like a soft leather covered journal, college ruled if possible. Each class will journal for 1 quarter. So, you can purchase this when it is needed.
 - a. REL IV: QUARTER 1
 - b. REL III: QUARTER 2
 - c. REL II: QUARTER 3
 - d. REL I: QUARTER 4
3. **Bible.** We will not be using **digital** Bibles as our primary resource. So, it will be imperative that each student bring a **physical** Bible to class each day. If your child doesn't already have a good Bible, I would recommend making it as nice as possible and making a big deal at family worship in presenting it to your child.
4. **Support Books:**
 - a. **REL I:**
 - i. **For the Year:** "Desire of Ages," by Ellen G. White
 - ii. **For Quarter 1:** "Steps to Christ" by Ellen G. White
 - b. **REL II:**
 - i. **For the Year:** "Acts of the Apostles," by Ellen G. White
 - ii. **For Quarter 2:** "Thoughts from the Mount of Blessing" by Ellen G. White
 - c. **REL III:**
 - i. **For the year:** "The Great Controversy" by Ellen G. White
 - ii. **For Quarter 2:** "Christ in His Sanctuary" by Ellen G. White
 - iii. **For Quarter 4:**
 1. "Ellen White's World: A Fascinating Look at the Times in Which She Lived" by George Knight
 2. "Reading Ellen White: How to Understand and Apply Her Writings" by George Knight
 3. "Walking with Ellen White: The Human Interest Story" by George Knight
 - d. **REL IV:**
 - i. **For the Year: "Prophets and Kings" by Ellen G. White**
 - ii. **For Quarter 3:**
 1. "The Adventist Home" by Ellen G. White
 2. "The 5 Love Languages" Gary Chapman
 - e. **Baptism Preparation** - This "class" is not a school class. However, it is for anyone grades 7-12 who would like to study the Bible either to prepare for Baptism or simply to grow closer with Jesus
 - i. "The Road: A Journey Through the Narrative of Scripture" by The Story Church Project

Note: I would recommend purchasing as high-quality as possible as we will be using these books throughout the year and consistently throughout the entire 4-year High school REL cycle. Additionally, they are such a valuable collection for your child to have in their library. However, many of these books can also be purchased quite cheaply. So, use that information to guide your purchasing decisions. All of these books can be found on Amazon.

5. **Bible Marking Tools:** highlighters (wax highlighters are the best), fine tip, no bleed pens (.7 mm or finer), a ruler (optional) and a Pencil Bag (which your student may already have)
6. Each student is to print and utilize this Encounter Bible Series Reading Plan, link provided:
