

## South Lancaster Academy 2023-2024 Local Church Financial Aid Commitment

To be completed by family's church pastor or treasurer.  
This form is required if the family is applying for any financial assistance from school or church.

South Lancaster Academy (SLA) requires Church financial assistance to be considered first before additional assistance from SLA. Additionally, SLA is willing to stretch the tuition payments up to 11 months (July - May) to better accommodate the family's needs. In the process of preparing a payment plan, we need to include the financial aid funds that the family will receive from their home church for the whole year.

### Please fill in the following information (one form per student)
