MAY 27, 2022

From the Vice Principal

"Let my teaching fall like rain and my words descend like dew, like showers on new grass, like abundant rain on tender plants." Deuteronomy 32:2 NIV This has been quite a traumatic year for all of us - students, staff, and families. We have all felt the stress and aftermath of Covid both physically and mentally.

Now, our goal is to finish the year strong. I sincerely doubt at this stage any of us feel like "tender plants", more like withering plants. However, we pray that the last push will serve to grow our students in such a

way that they become independent thinkers, will have learned academic, spiritual and social lessons and can honestly say at the end, "I did my best!" May the close of the year bring peace.

Blessings,

Blessings,

Ginnie Hakes

**FULL
UNIFORMS
NEXT YEAR**

Our transition period is over as of June 3, and our sharp looking uniforms will be in full effect for our first day of school in August. You will be sent sale alerts anytime there are sales going on for the uniforms. Keep a close eye on your emails throughout the summer.

As most of you have probably noticed, it's not always easy to find the item you're looking for on store shelves--it's the same with clothing availability when shopping online. Shop early, and be sure to factor in how much your child will grow during the summer and following school year when picking sizes!

If you have any questions please reference pages 49-50 in our handbook.

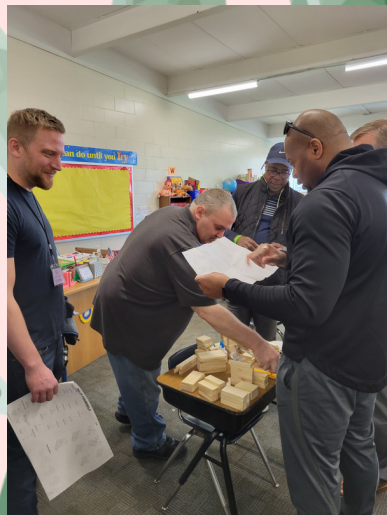

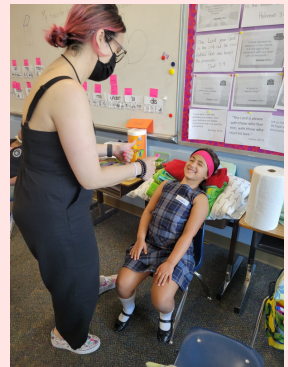

SLA Happenings

Students who went to the Texas tournament did community service at the conference office last week! And below we have shots of our students on Yearbook Day! Emma and her team did an amazing job on the yearbook this year! The SA also had an ice cream truck for our High School Students to celebrate the day!

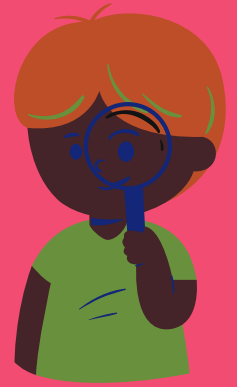

Our 3rd Graders made some beautiful corn husk dolls this week! And our 1st and 2nd graders joined together to have a special Spa day for the girls and Build day for the boys. Parents and community volunteers came in to join in the fun and help facilitate. Fun was had by all!

Lost & Found

Any and all items will be donated or tossed at the end of the year. In the Elementary building you can find lost items in the hallway to the right when you walk in. In the High School building they are outside the office.
